

For Dog Owners: Annual Dog Licensing

State Law requires all dogs in the Commonwealth over six months of age to be licensed annually.
The 2014 calendar year licensing deadline is **March 31st**. Unlicensed dogs are subject to penalties.

VACCINATION/NEUTERING State law requires a higher license fee for dogs that are not spayed or neutered (intact). In Concord, the fee is \$5.00 more for intact dogs. In order to obtain the discounted rate, ***veterinarian's verification that dogs have been neutered or spayed is required. Proof of current rabies vaccination is also required for all dogs.*** We most likely have this information for dogs previously licensed in Concord. Usually, spaying/neutering information can be found on the rabies certificate. If in doubt, contact us to verify that we have up-to-date rabies and spaying/neutering verification on file. Our contact information is at the top of this page.

RENEW ONLINE: After confirming current documentation listed above, you may order and pay for your dog license online with payment from your checking account or credit card (Discover, MasterCard or Visa).
